

Your Reserve Funds At Work

Beach living has its benefits; however, it also makes preventive maintenance extremely important due to the effects of the salt air. Over the summer at Carlsbad Seapointe Resort several important reserve projects were completed.

Kids of All Ages

During the summer months at the resort, kids of all ages found fun things to do: for example, feather hair extensions, "ice cream men" & snow cones – helped cool the days, pretzel dipping – chocolate yumminess, tinker towers, yoga and sandal decorating. Fourth of July weekend we had many of our Owners wearing their red, white and blue tie-dye T-shirts made here at Seapointe.

Now and throughout the change of seasons, Owners will continue to enjoy the weather and utilize the resort's tools to enjoy the beach, i.e. towels, red wagons, CSR boogie boards, umbrellas, sand castle building tools and much more. But rest assured, as the seasons change, the fun continues.... Joey and his staff constantly improve upon many of the activities for fall and winter including a photo contest, an extensive DVD rental collection, coastal walks, giant sand dollar decorations, water color painting, yoga and rainy day packages – including popcorn, hot chocolate and rental movies. Activities also offer guidance to many off property activities such as restaurants, amusement parks, sailing, and guided tours to San Diego and Hollywood.

Please let us know if there is an activity you would like to see at Seapointe. Remember to check out our Facebook page to stay current with what is happening at the resort! Happy Vacating

Thanks to our Preventative Maintenance Program, Dan Gibbons and his team were able to accomplish needed improvements. Our domestic water pressure regulating station, which regulates all water coming into the Resort, was replaced. This project was organized to occur at night so Owners felt little to no impact of having the water shut off. We are happy to announce that the elevator interiors have been remodeled! The scope of work included new flooring, side panels, lighting and buffing out the stainless steel. This created a clean and updated beach casual feel for Owners as they head to their units upon arrival.

In addition, our kid-friendly amenities have not been forgotten. Dolphin golfin' was dressed with red mulch around the dolphins, which added a

bit of flair for our families enjoying a round of putt-putt. A splash of color was also added to the family pool and Jacuzzi by installing a LED color-changing light. The changing colors produce a great visual experience while swimming or wading in the pool.

As we look into the future, Management will continue to replace the old remaining HVAC throughout the units. In addition, we are assessing a new design for the units' interior living rooms. For the exterior grounds, the family pool's Spray and Playground will be resurfaced for a more safe and colorful place to play.

We look forward to welcoming our Owners to their home-away-from-home during the cooler months to come.

O Canada!

Grand Pacific Resort Management's Newest Resort at Panorama

Nestled in the Canadian Rockies within the Panorama Mountain Village, we welcome our newest resort property, Panorama in British Columbia.

Panorama Mountain Village is in a locale rich with rugged natural beauty and wildlife. Approximately three-and-a-half hours southwest of Calgary and close to Banff and Kootenay National Parks, this spectacular 53-unit property is perfectly situated for visitors to enjoy the outdoors all year long. Surrounded by creeks, lakes, forests, and mountains, the resort offers an ongoing abundance of seasonal outdoor activities – many of them right on site. Well known for being an excellent ski mountain, Panorama boasts North America's longest vertical descents and the largest slope-side hot pools in all of Canada.

In winter months, choose from on-site downhill, cross-country, and heli-skiing. Strap on the snowshoes and hike

in the woods. Summertime offers golf, tennis, horseback riding, rafting, hiking, cycling, nearby hot springs, and ATV excursions right outside your door.

In addition, there are pools, hot tubs, saunas, pubs, shops, restaurants, as well as special events for families and children.

And after a fun-filled day in the fresh air, stock up at the on-site general store, prepare a family dinner in the fully equipped kitchen and relax in front of your own roaring fireplace.

Grand Pacific Resort Management (GPRM) is honored to be Panorama's management company, and we look forward to serving our new family members in Panorama, Canada.

Our Recent Addition to Grand Pacific Resorts is A Real "Retreat"

If you've ever longed to escape into a tranquil mountain setting with babbling brooks, beautiful forests and endless wildlife, Mountain Retreat is the place.

This recent addition to the Grand Pacific Resort Management family rests 4500 feet up in the Sierra Mountains in the quaint historic mining town of Arnold, California. Located in the heart of California's Gold Country, just a few miles from Big Trees State Park, and surrounded by the area's finest golfing, The Sequoia Woods Golf Course, this resort is a "hidden gem".

Mountain Retreat, an RCI Gold Crown resort, offers a myriad of activities to partake in such as award-winning wineries (try the zinfandel!), open air concerts and all things outdoors - hiking, kayaking, rock climbing, trout fishing, boating, and even panning for gold!

For all you winter enthusiasts, Bear Valley Ski Resort is just down the road and there are an abundance of cross-country ski trails and snowmobile parks. Mountain Retreat has a little something for everyone including wood burning fireplaces just perfect to curl up with a book.

We are excited to have Mountain Retreat part of the Grand Pacific Resort Management family of resorts and look forward to taking this resort to new heights.
